

WARHAMMER 40,000: ALTAR OF WAR: VOLUME 1

Official Update for 7th Edition, Version 1.0

Although we strive to ensure that our supplements are perfect, sometimes mistakes do creep in. In addition, we occasionally print new versions of our rules, which require amendments to be made in older versions of our supplements. When such issues arise, we feel that it is important to deal with them as promptly as we can, and we therefore produce regular updates for all of our supplements. When changes are made, the version number will be updated, and any changes from the previous version will be highlighted in **magenta**. Where a version number has a letter, e.g. 1.1a, this means it has had a local update, only in that language, to clarify a translation issue or other minor correction.

Each update is split into three sections: Amendments, Errata, and 'Frequently Asked Questions'. The Errata corrects any mistakes in the supplement, while the Amendments bring the supplement up to date with the latest version of the rules. The Frequently Asked Questions (or 'FAQ') section answers commonly asked questions about the rules. Although you can mark corrections directly in your supplement, this is by no means necessary – just keep a copy of the update with your supplement.

Throughout – Please remove all page references to the 'Warhammer 40,000 rulebook' presented in these Altar of War missions – these refer to a previous edition of the rulebook. Instead, please refer to the index of *Warhammer 40,000: The Rules* for the correct page numbers.
