

WARHAMMER 40,000 CODEX:

BLACK LEGION

Official Update for 7th Edition, Version 1.0

Although we strive to ensure that our codexes are perfect, sometimes mistakes do creep in. In addition, we occasionally print new versions of our rules, which require amendments to be made in older versions of our codexes. When such issues arise, we feel that it is important to deal with them as promptly as we can, and we therefore produce regular updates for all of our codexes. When changes are made, the version number will be updated, and any changes from the previous version will be highlighted in **magenta**. Where a version number has a letter, e.g. 1.1a, this means it has had a local update, only in that language, to clarify a translation issue or other minor correction.

Each update is split into three sections: Amendments, Errata and 'Frequently Asked Questions'. The Errata corrects any mistakes in the codex, while the Amendments bring the codex up to date with the latest version of the rules. The Frequently Asked Questions (or 'FAQ') section answers commonly asked questions about the rules. Although you can mark corrections directly in your codex, this is by no means necessary – just keep a copy of the update with your codex.

AMENDMENTS

Replace the rules with the following:

'Psyker only. The bearer increases his Mastery Level by 1. Do not generate an additional psychic power for this bonus Mastery Level. Instead, the Psyker knows the *Sunburst* psychic power from the **Pyromancy** discipline (see *Warhammer 40,000: The Rules*) in addition to any other powers he knows. The Psyker can attempt to manifest *Sunburst* with an increased range, though this will have an increased Warp Charge cost. If you wish to increase its range to 12", *Sunburst* has a Warp Charge cost of 2; if you wish to increase its range to 18", *Sunburst* has a Warp Charge cost of 3 – declare the range of the power you are attempting to manifest before rolling. If the Psyker suffers Perils of the Warp when attempting to manifest this power with an increased range, he is removed from play as a casualty – do not roll on the Perils of the Warp table.
